Harbor Days Festival in Mattapoisett

The Mattapoisett Lions Club is once again sponsoring the always-popular Mattapoisett Harbor Days Festival for the 26th year at Shipyard Park. The event will take place this weekend, July 17 through July 19, and will include over 100 craft booths with entertainment and food throughout Saturday and Sunday.

Some of the weekend highlights will be a standing-room-only performance by Couto and Mulligan under the tent on Friday, July 17 after the popular crab roll and chowder dinner beginning at 5:00 pm. A food booth will be set up for those who miss the main meal.

There will also be an ongoing raffle for the Arthur Moniz painting throughout the weekend, and this year the first-ever Lions Club Striped Bass Tournament will begin on the evening of July 17 and end on July 19. The Ross' Second Annual Regatta will be held Saturday as well, with proceeds going toward the gun lock program started last year.

Sunday's activities will begin with a Pancake Breakfast from 8:00 am to 11:00 am, and will close with drawings for the Silent Auction, the Arthur Moniz painting raffle, and the presentation of the Striped Bass Tournament awards.

A run-down of the weekend events is as follows:

FRIDAY, JULY 17

- 5:00 - 8:00 pm - Chowder and Crab Roll Dinner;
- 6:00 - 8:00 pm - Lions Striped Bass Tournament Registration;
- 6:30 - 10:00 pm - Strawberry Festival;
- 7:00 - 10:00 pm - Couto and Mulligan (under the tent);
- 7:30 - 10:00 pm - Lions Club Food Booth Open (hot dogs, hamburgers, soda).

SATURDAY, JULY 18

- 6:00 - 8:00 am - Lions Striped Bass Tournament Registration;

- 6:00 - 9:00 am - Crafters Set-Up Time;
- 9:30 - 11:00 am - Tri-County German Band;

Above: Members of the comedy troupe "Circus Maximus" will be performing at the Marion Art Center on July 17 and 18 for two shows only at 8:00 pm each night. The group features (l. to r.) Mike Handelman, David Guion, Robert Davenport, and James Waterston. Tickets are \$10 per person and may be purchased in advance at the Marion Art Center, but seating is limited and no telephone reservations will be accepted for this show. In addition, the group will be offering a one-time only workshop on Saturday, July 18. For information on the workshop only, please call the Marion Art Center at 748-1266.

On the cover: The antique Mattapoisett Fire Engine owned and maintained by Giles Dunn at his insurance office on Route 6 will be transporting people as part of historic tours from the Mattapoisett Museum and Carriage House to the Ned's Point Lighthouse this weekend as part of the first-ever "History Days" at the annual Harbor Days Festival. Though the ride is FREE, tickets must be picked up in advance at the Mattapoisett Historical Society booth at the festival. (Photo by Kenneth J. Souza).

History Days

In keeping with the festivities planned for this weekend's Harbor Days celebration, "History Days" will also take place on July 18 and 19 from 10:00 am to 4:00 pm each day at the Mattapoisett Museum and Carriage House on Church Street. There is a special exhibit, "The History of Mattapoisett Harbor," and people will be demonstrating and talking about various early crafts during each day such as: woodworking tools (John Reed), ice-making (Francis and Ed Gordon), weaving (Priscilla Hathaway), quilting (Kathleen Acker), uses for herbs (Peg Reed), basketry (Ginny Rowland), care of clothing (Anne Bigelow).

An extra treat is coming to the museum via an antique fire engine, courtesy of G.H. Dunn Insurance. Transportation from the harbor to the museum will be on an antique fire engine owned by Giles Dunn. After visiting the museum you can continue on the fire engine

to the Mattapoisett Lighthouse at Ned's Point which will also be open for viewing.

If you do not wish to go to Ned's Point, there will be "historic walks" back to the harbor by map or by guide along Pearl and Cannon Streets. You can either follow a guide or by using a printed map and following the painted footprints on the road.

Tickets for this tour must be picked up at the museum's booth at Harbor Days. All of this is free-of-charge in an effort to introduce the community to all the Mattapoisett Museum and Carriage House has to offer.

As a special project, in conjunction with the "History of the Harbor" exhibit, the museum is trying to do a log of all the boats currently moored in the Mattapoisett waters. If you have a boat now in the harbor, please contact the museum at 758-2844 so it may be entered in the new log.

The Mattapoisett Historical Society is celebrating its 40th anniversary, and they invite you to become a member and help them celebrate.

The museum is staffed completely by local volunteers. If you are willing to give any time to the museum, please call Bette Roberts at 758-2844.

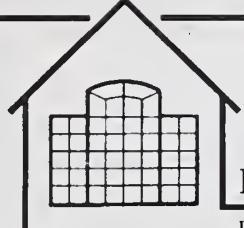

Woman's Club

The Mattapoisett Woman's Club will once again be participating in Harbor Days this weekend on July 18 and 19 at Shipyard Park. Their booth will feature home-baked goods including pies, cakes, cookies, breads, bars, jams and jellies, and cut flowers.

They will also be selling the Mattapoisett apron. It comes in royal blue and features the gazebo in white. It is a unisex apron with adjustable neck strap and makes a perfect gift for the family barbecue or cook. The price is \$16 and the apron is made of a spot-resistant material.

This year the club also has a collection of cup plates to sell for \$5 each. There are many rare and hard-to-

Marion Selectmen's Meeting

July 14, 1998

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, July 14 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

After signing treasury warrants #399, #299, and #3 for the week and approving the minutes of the June 30 meeting, the board met with members of the Marion Recreation Committee to discuss potential storage space for their sports equipment. Recreation Committee Chairman Carolyn Eames explained that for over a year they have been storing the bulk of their equipment at the former L'Auberge Restaurant through the generosity of

owner T. J. Walker. Now, Mr. Walker wants to start renovating the building, and they need to find another storage facility.

Mr. Pickles recommended a large area in the basement of the Town House which has recently been cleared out. "There's space east of the carpenter's shop that could be used," Mr. Pickles said. "The Recreation Committee could have access to the bulkhead on the Main Street side of the Town House. That's the driest part of the basement ... but I'd still recommend putting the equipment on pallets just to be safe."

"This would be a good temporary solution ... and maybe we could allocate some space as part of the Sippican School expansion project," added Chairman Winters. "I think we could consider incorporating storage space for the recreation equipment as part of the town's needs other than classroom space."

Although the members of the Recreation Committee appreciated the estimated 300-square-foot storage space offered, they were hoping for something more long-term. They also had concerns about possible water damage, or the potential for mildew.

"We've discussed possibly renting space, or maybe using one of the storage closets upstairs in the Town House, or even using the two lockers off the gym at Sippican School," said Ms. Eames. "That would be a good location, because we have access to that part of the school."

The board suggested that the members of the Recreation Committee first meet with Mr. Pickles and tour the basement area in the Town House to see if something could be done to make it usable. They also suggested

getting estimates on potential rental costs for storage, and agreed to discuss the possible use of the Sippican School lockers with the school administration. The Recreation Committee will meet again with the board on July 28 to discuss their findings.

At 7:25 pm the board opened a Public Hearing upon a request from Sippican, Inc. for a special permit to construct a storage building and an assembly/light manufacturing building at their Route 6 location which is within a Water Supply Protection District. Selectman Schaefer abstained from voting on this issue and removed herself from the room.

Attorney Richard Schaefer, who was representing the company, explained that the entire project is outside of the wetlands buffer zone and the project also falls well within the town's limited industrial zoning district.

In addition to the construction, the company is requesting permission to connect a sewer line from the building to their existing sewer line on the property. This line, ultimately, is connected to the town's sewer line. "If you allow us to connect the sewer line, we would be adding no more strain than a single-family dwelling," Mr.

Schaefer said.

"I don't believe this facility will be any more detrimental to the water supply than an abandoned landfill or (commercial properties) which are already located in the immediate area," Mr. Pickles said.

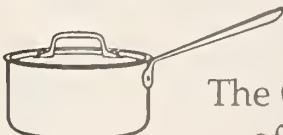

With that, the board first unanimously granted permission for Sippican, Inc. to extend the sewer line on their property to the new building and also unanimously granted a Special Permit to allow the construction of said facility.

Under incoming correspondence for the week, the board received a request from Phyllis Washburn, Concert Chairman for the First Congregational Church, to allow parking outside of the roped-off area near the bandstand across from the Music Hall for the Jazz Flute Ensemble Concert to be held on Saturday, July 18. She would like to use the area from 7:00 to 10:30 pm.

The board had no objections to the use of the parking area, but noted that someone should be present to monitor the cars during the performance. "I believe we granted permission recently for another event and they had a special detail officer on duty," Chairman Winters

officials in the case of *William P. Berry et. al. v. the Town of Marion, et. al.* Since the board has not had an opportunity to discuss this pending suit further with Town Counsel, they agreed to hold this matter for their next meeting.

David Hirschberg sent a letter to the board regarding the establishment of a Town of Marion home page on the Internet. Mr. Hirschberg would like to see such a page and added that many Marion businesses would like to be linked to the site. "I would be willing to work with the various town departments and boards and members of the Marion business community in order to coordinate the project," Mr. Hirschberg wrote.

The board suggested that Mr. Hirschberg consult members of the Planning Board and Bob Bennett about the possibility of such a town website.

Theresa Cedarholm sent a letter to the board regarding her recent attendance at a meeting of the Massachusetts Historical Commission (MHC) in Boston and noted that the MHC is very interested in helping to guide and fund historical projects in the area. But she was told that Marion would not be eligible unless they had a full Historical Commission in place. Currently, there is only one active member of the commission.

The board agreed that with the forthcoming anniversary of the town around the corner and the potential for obtaining funding from the state, they should appoint a full Historical Commission. Mr. Pickles recommended a five-member board would be sufficient,

Rochester Selectmen's Meeting

July 13, 1998

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 13 at 7:00 pm by Chairman Richard D. Cutler. Also present were Selectman Naida L. Parker, Executive Secretary Russell Dean, and Administrative Assistant Veronica Lafreniere.

After approving the minutes of the June 19 meeting, the board reviewed incoming correspondence for the week, beginning with a "thank you" letter from Michael J. Vieira who was the recent recipient of the town's first scholarship award.

The Department of Housing and Community Development sent notification that Rochester has received a joint \$381,000 grant with Wareham and other area towns as part of the Massachusetts Community Development Block Grant Program.

MediaOne submitted notice that their "MediaOne Express" high-speed data service is now available in Rochester. This service is up to 50 times faster than the standard phone connection for Internet service. Rochester residents interested in this service should call 998-9000. Those ordering the new service by July 31 will receive \$50 off the installation cost.

Retiring Superintendent of Schools Joan M. Walsh sent a letter of appreciation to the Rochester Board of Selectmen for presenting her with a certificate of recognition and for the lovely photograph of Memorial

School. "I have very much enjoyed my professional experience in Rochester with the students, families, staff, administration and school committee members," she wrote. "Over the years, the support of town officials has been extremely important to us in determining the quality of education for students in Rochester."

At 7:30 pm the board opened a Public Hearing on the proposed renumbering of certain addresses along County Road in Rochester. The proposal was first brought forth by the Town of Wareham in an effort to bring the numbers in line with neighboring towns. "There seems to be a lot of confusion with trying to locate certain addresses," Mr. Dean said. "They want to make sure the addresses are sequentially correct."

APPRAISAL FOR SELLING PRICE?

While most home sellers rely on recommendations from agents to set the selling price, this may not work in all cases. For example, your land, location or house may be so unique that the use of comparable sales for pricing is non-existent. In such a case, it might not be a bad idea to have an official appraisal, (conducted by a professional appraiser) in your back pocket as additional price-setting data.

Cost-wise, you should agree in advance exactly how thorough an appraisal you need. Some reports run for 30 pages,

including photographs of the neighborhood and floor plans of each room. Explain that a simple letter report is sufficient, and that you are simply seeking an estimate of fair market value.

An appraisal can sometimes be a valuable tool. Although it is simply an estimate -- albeit an informed and skilled one -- it's an indication of how much a bank might value your property for mortgage loan purposes.

Much of the confusion stems from the variation between address numbers of adjacent homes. This confusion often causes problems with dispatching emergency personnel from either Wareham or Rochester. "The Wareham numbers are way off from our numbers," Fire Chief Scott Ashworth said. "Hopefully, in an emergency situation, this (change) will help locate addresses."

"Part of the problem is if someone calls for an emergency and they're not using the 911 system, we need an exact address to send them to," said Chief Dispatcher Kathy O'Brien.

But many residents present for the hearing felt that this change wouldn't help. "Changing the numbers isn't going to solve the problem," said Dave Menard. Others noted that it's not confusing at all to them — all the Rochester addresses are odd numbers, while the Wareham addresses are even numbers.

Some residents felt that if Wareham is so adamant about bringing the addresses in sequential order, they should make the change. "If they wanted to change something, why don't they change the Wareham side?" asked Gary MacNeill.

Sensing an almost-overwhelming opposition to the proposal, the board agreed to take this information back to the next joint meeting with Wareham officials and would thereafter let residents know what the next step in the process will be.

At 8:00 pm the board met with Fire Chief Scott

Ashworth regarding state requirements for future personnel to participate in a Wellness Program, including both physical and cognitive testing. "Anyone that was hired prior to November of 1996 is exempt from the requirements," Chief Ashworth said. "This requirement is only for newly-hired personnel after that date."

Chief Ashworth added that with a part-time, volunteer Fire Department, the responsibility for funding this program — which will cost an estimated \$300 to \$400 per person — would fall on the town. The state-mandated program will also be required for Police Department personnel.

"It's a good program ... they mean well," added Police Chief Walter Denham, "but it's going to have an adverse effect on smaller communities (like Rochester)."

The board voted to allow Chief Ashworth and Chief Denham to work together to coordinate a Wellness Program for both the town's Fire and Police Departments, and to prepare an estimate of how much it will cost to test potential candidates.

At 8:15 pm the board met with Attorney Eric Jaikes regarding a proposed article to discontinue a portion of Old Neck Road. According to Mr. Jaikes, he is petitioning the discontinuance of a portion of Old Neck Road on behalf of his clients, the John Mutch Company and David Mello.

Although Mr. Jaikes noted that the road in question is actually an 1866 county layout, which would

only require the approval of the Plymouth County Commissioners for discontinuance, he would like the Rochester Board of Selectmen to submit the petition via Town Meeting to solidify the town's accordance with the measure.

"The County Commissioners will, as a matter of courtesy and practice, ask the town if they approve of the discontinuance," Mr. Jaikes said. "We'd like to get the endorsement of the town ... and have the Rochester Selectmen petition for its discontinuance."

Mr. Jaikes' clients hope to create two larger single lots, each of which will have the appropriate frontage on (New) Neck Road. As it stands now, this section of Old Neck Road somewhat bisects the lots in question, rendering them unbuildable.

The board agreed to have the Planning Board review this request and make their recommendation directly to the Plymouth County Commissioners.

At 8:30 pm the board met with Police Chief Walter Denham, who first introduced them to Donald Kemmett, one of his recommended full-time police officer

Animal Advice

Jay Gould, DVM

CANINE DIARRHEA

My dog has diarrhea more than once a week for the past month. He eats dog chow and table scraps. Occasionally there is blood in the stool and he can't always control himself and messes indoors. What can I do?

The key to controlling illness is getting a correct diagnosis and then treating the problem appropriately. First, have your veterinarian examine a stool specimen to check for intestinal parasites. Stop feeding your dog table scraps. If no parasites are found and stopping the table scraps does not resolve the problem, try changing the diet. Eukanuba brand foods are often helpful in resolving intestinal upset in dogs.

What if the problem continues?

If you have done the 3 steps described above and the dog still has diarrhea, it is time to have your veterinarian evaluate the dog and possibly perform additional tests in order to obtain a diagnosis. This is especially important if your dog lacks his normal energy level, is losing weight or has an uncharacteristically poor appetite.

appointees. Originally from Pembroke and now residing in Plympton, MA, Mr. Kemmett is working as an officer at Bridgewater State College and previously applied for a full-time position with the Rochester department.

The board agreed to appoint Mr. Kemmett as a full-time officer with the Rochester Police Department, contingent upon receipt of the anticipated COPS Fast Grant award to fund the position. "We're at the will and mercy of the federal government," Chairman Cutler said. "Barring that potential glitch, we can appoint (Mr. Kemmett) tonight."

Chief Denham also wanted to discuss a proposal to reorganize the ranking of the Police Department which would eliminate the lieutenant's position and create three sergeants' positions immediately under the Chief of Police. "Essentially, we'd be eliminating one position and replacing one patrolman with a sergeant," Chief Denham said.

Chief Denham rationalized that since the Rochester department is small, it made more sense to have three supervisory positions under him to provide "better coverage" during all shifts. There are many situations, he said, which require the approval of a ranking officer.

"For example, to have a car removed from the road requires the approval of a sergeant or higher," Chief Denham said. "As far as citations are concerned, under state statute they should be issued by a sergeant or higher."

Both Chief Denham and Executive Secretary Dean agreed that a set of minimum standards should be in place for promoting patrol officers to the rank of sergeant. Chief Denham also said an independent testing firm from Fall River would be brought in to administer a written exam for this purpose, and qualified candidates would have to have served for at least two years as a full-time patrol officer to be considered for promotion.

Chief Denham noted that the testing would cost under \$1,000 to administer, and the sergeants' salaries would be based on the current top position of \$35,101. He hopes to begin the testing procedure within 60 to 90 days, and said there are maybe four patrol officers eligible for consideration as having at least two years' experience. There may be other criteria to consider as part of a "point system" — things such as perfect attendance or commendations would earn a certain amount of points.

"I like this for a couple of reasons," Chairman Cutler said. "Having a flatter tier makes more sense. I'd like to move forward on this and look at the dollar impact a little more closely. I'd also like to see a 'point evaluation' criteria for promotion."

With that, the board voted to allow Chief Denham to move ahead with this plan for reorganizing the Police Department.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 9:36 pm.

Mattapoisett Road Race

The 1998 Mattapoisett Road Race was held on July 4 at 10:00 am in the town center. Under sunny, 85-degree weather, runners from throughout the area, state and country came to participate in what has become one of the most popular running events in southeastern Massachusetts. Although no one was able to topple the course record of 24:17.1 still held by Frank Ritchie, following is a ranking of the top 30 finishers in order of race completion as tabulated by JB's Road Race Management:

Bob Winn, Ogunquit, ME (25:02); **Colin Dooley**, Norton, MA (26:14); **Paul Bolick**, Franklin, MA (26:50); **Kevin Myles**, Attleboro, MA (26:59); **Joel Tetreault**, Boston, MA (27:17); **Andre Sirois**, Wells, ME (27:22); **William Weschrob**, West Roxbury, MA (27:25); **Michael Norton**, Assonet, MA (27:37); **Denis Newman**, Philadelphia, PA (27:41); **Steve Gaebel**, Brighton, MA (27:53).

Tri-Town Basketball Camp

The Tri-Town Basketball Camp, sponsored by the Mattapoisett Recreation Department, will be held again this summer at Old Rochester Regional High School for boys and girls, Grades 3 to 8, from Mattapoisett, Marion, and Rochester. The Camp Director will be **Rick Regan**, a former ORR High School basketball coach and current ORR Junior High School basketball traveling teams coach.

The first session will be held July 13 - 17 for boys. Boys presently in Grades 6, 7 and 8 will attend from 9:00 am to 12:00 noon. Boys presently in Grades 3, 4 and 5 will attend from 1:00 to 4:00 pm.

The second session will be held July 20 - 24 for girls. Girls presently in Grades 6, 7 and 8 will attend from 9:00 am to 12:00 noon. Girls presently in Grades 3, 4 and 5 will attend from 1:00 to 4:00 pm.

The camp will focus on the development of shooting, passing, dribbling, ball handling, rebounding, post play, and defense. The camp counselors who assist Coach Regan will be varsity players from ORR High School. They include Pat O'Shaughnessy, Adam Rogers, and Tim Shockro for the boys, while three members of the State Basketball Champion Lady Bulldogs — **Tiffany Lopes**, **Kate O'Shaughnessy**, and **Eryka Vickers** — will assist with the girls. In addition, other coaches will be on hand to speak to campers.

The cost of the camp is \$80 per session.

Letters to the Editor

To the Editor:

(Recently), I was enjoying a leisurely breakfast with my four grandchildren when two police cars, lights flashing, pulled into our driveway. As the officers rushed to the door, I informed them that there was no emergency. They reported that they had just received three "911" phone calls from my home. It was immediately apparent to all that the youngest grandchild had made the calls. Officer Phil Marcosa explained to my grandchildren the importance of the 911 emergency phone line. He made it clear that misuse of the system can endanger many lives, including the police officer's. He was firm, yet kind in his manner. His point was well-taken. Mattapoisett is fortunate to have police officers of this caliber.

Sincerely,

Constance Pallatroni Suzan

To the Editor:

My name is Joseph Sauro. My wife and I live (on North Street) and have now for two and a half years. I grew up in Padanaram and went to school at Friends Academy. I am very familiar with this area and love it. My wife is a nurse for the Fairhaven chapter of Hospice and I am the manager of a restaurant in Wareham. We consider Mattapoisett to be our

home and are considering staying here for quite some time.

As you may or may not know, there has been some trapping of groundhogs going on North Street by a private company from the Boston area hired by a woman that just moved (to) North Street. This is my third summer here, and my third summer seeing groundhogs in my yard and I am pleased to say my wife and I are glad to have them here. Unfortunately, they are being threatened by the trappers and the woman that hired them. They have traps set up around the parameter of my yard and, granted, if you saw these traps you would think they were humane traps but, unfortunately, when the trappers take them from here they KILL the groundhogs.

After I found out who had hired the trappers, I went to speak to the woman who immediately took me into her yard to show me the supposed damage that the groundhogs had done to her porch. When she realized that I was not impressed by the half-inch square area of paint missing from one of her steps, she immediately switched her reasoning for the groundhog killings to the fact that it is possible for groundhogs to carry rabies. While this is true, it is also true that you or I or any mammal can carry the rabies virus but we are not trapping and killing other forms of wildlife that we are so lucky to have here in Mattapoisett.

Please do not fall for the scare tactics of a bored woman that has nothing better to do than worry about a small chip of paint that fell off her porch and to cover up her own selfish reasons to kill the groundhogs (which) has resorted to phony scare tactics which she has already used on adjoining neighbors.

There have been no cases of rabies in Mattapoisett or in any of the surrounding towns and there have only been 39 cases in the entire state — most of which were out in western Massachusetts. If we were to kill all things that had a potential

To the Editor:

A few days ago on one of our morning walks, my husband and I went by Shipyard Park and observed young folks playing ball and mothers sitting on the benches with their children. It was nice to see people enjoying this open space. In a short time, we will be enjoying Harbor Days at the park.

Seeing people enjoying this park reminded us of a walk we took while visiting relatives in Rhode Island three or four weeks ago. Within a ten-minute drive, we had the choice of three places to walk: Trustom Pond National Wildlife Refuge, Ninigret Wildlife, or Burlington State Park. We walked on paths through the wood to Trustom Pond. It was such a peaceful walk, listening to the birds, looking at the wild flowers and the beautiful view of the pond. We probably spent an hour doing this.

We need to appreciate our forefathers for having the foresight to create Shipyard Park and Veterans' Park at Ned's Point. It is just a shame that these same people are not with us today to help us with the Nunes' property on Brandt Island Road.

Sincerely,
Frances Cairns

We would like to express our deep appreciation for the sympathy, support and love of everyone in the region who was touched by Bill's meaningful life and tragic passing. We take great comfort in knowing that his formative years were spent in this nourishing place and that he carried part of it with him wherever he went.

Adoptable Animals

The local chapter of Animal Umbrella, Inc.'s featured animals and plea this week involves the rescue of three-week-old deformed, crippled kittens. These babies are the result of cats inbreeding and the lack of neutering. The group sincerely hopes that after reading this, people will take the responsibility of sterilizing stray cats. Don't just feed, please take that extra step and stop propagation.

One unspayed female and her offspring can

produce thousands of unwanted kittens. These unfortunate little creatures would have never made it if not rescued by an Animal Umbrella volunteer who has foster-cared for them ever since. During this time they made many visits to the Mattapoisett Animal Hospital for diagnosis and treatment. One little guy just had splints removed from his front legs which were applied to prevent them from turning under. He is now trying to run and play like a normal kitten.

"Little Bear," as his foster mom calls him, is jet black and a real trooper. His little tiger sister may be a three-legged kitten, but Dr. Gould is waiting for her to grow up so he can X-ray and better determine the prognosis. If any one out there is interested in adopting a handicapped kitten, or can sponsor one to help defray their medical expenses, please call Jackie at 758-4690.

The group also has a great variety of normal kittens awaiting adoption — if interested, please call Elaine at 996-3959.

The adult list is growing everyday. Animal Umbrella has lots of wonderful cats waiting to go home, including a part-main coon cat male and two female Persians and, of course, the special street cats who are neutered and vaccinated.

To adopt any of the aforementioned animals, or for further information about the local chapter of Animal Umbrella, please call one of the following area representatives:

- Mary Lou at 994-6168;
- Trudy at 990-7806;
- Jackie at 758-4690;
- Elaine at 996-3959.

The Fairhaven Animal Shelter has many wonderful dogs available for adoption, including: a shepherd/chow mix, an all-black male cocker spaniel, and a female pit bull who's very friendly. Please call

Ned's Point Sewer Project

The Mattapoisett Water and Sewer Department would like to remind residents that the long-awaited sewer extension project in the Ned's Point area has begun. The construction will proceed into this late fall and early winter, with final pavement repairs being completed in the spring of 1999. The construction work will create noise and some inconvenience as the excavation is being done to install the new sewer system. There may be times that the water service to the area will be interrupted unexpectedly due to construction. Efforts will be made to minimize inconvenience and they ask you to please be patient as the work proceeds.

Rochester Special Election

Rochester Town Clerk Naida Parker has advised that absentee ballots are now available at the Town Clerk's office for the upcoming Special Recall Election. The Town Clerk's office is open Monday, Wednesday, and Friday from 9:00 am to 2:00 pm; Tuesday and Thursday from 10:00 am to 4:00 pm; and Monday evenings from 5:00 to 7:00 pm. Absentee Ballots may be returned via mail or filled out and submitted in person at the Town Clerk's office.

Concerts in Fairhaven Center

The Fairhaven Improvement Association is once again sponsoring a series of "Music in the Center" concerts. These five concerts are all held on the steps of Fairhaven's magnificent Town Hall on Center Street. Bring a lawn chair or blanket and listen to music as the sun sets. There is plenty of room for dancing and chalk art fun for the kids. In case of rain, concerts will be held in the Town Hall Auditorium.

Following is a schedule of upcoming concerts, all of which are slated to begin at 7:00 pm:

- July 23 - Silverman's Cabaret. An unforgettable tribute to Broadway!
- July 30 - Couto & Mulligan. Songs, stories and fun from this popular veteran duo; and Art Tebbets, performing pop songs of the 30's and 40's to the best of contemporary songwriters.
- August 6 - Memory Lane II. A big hit last year with music from the 50's, 60's and 70's.
- August 13 - Meadowlarks. Music in the Center would not be complete without this Music 15-piece band presenting the songs of the Big Band era and more.

For more information on the concerts, please contact: Nina Catelli Vincent at 997-0694, or e-mail ninacatv@ultranet.com. This project is supported in part by a grant from the Fairhaven Arts Council, a local agency supported by the Massachusetts Cultural Council, a state agency.

Summer Fair in Marion

The First Congregational Church of Marion is having their annual "traditional New England church fair" on Saturday, July 25 from 10:00 am to 1:30 pm at the church on Main Street in the village. The Chapel Cafe will feature lobster rolls in the community center (rear of the Marion General Store parking lot) and the fair will also boast prepared foods, bakery, books, plants and vegetables, cheese, homemade candies, silent auction, crafts, activities for children, white elephants, and grill and beverages. There is no admission fee.

Tobacco Vendors in Compliance

The Boards of Health of Acushnet, Marion, and Rochester are pleased to announce that during a recent compliance check conducted in the three towns not one establishment sold tobacco products to a minor. Tobacco regulations have been in place in all three towns for at least two years, and in the case of Marion, for four years. In the past, Marion and Rochester have had 100 percent compliance rates, but this is the first time all three towns have come away with a perfect score.

The compliance checks are conducted periodically by the PACT Program, which stands for Prevention And Cessation of Tobacco. The PACT Program is funded by the Massachusetts Tobacco Control Program, which is a division of the Department of Public Health.

"One of the most critical goals of our grant is to achieve 100 percent compliance in the funded communities," explained PACT Program Director Judith Coykendall. "This measurement indicates that minors are unable to purchase tobacco products during a compliance check in our local communities. Every day, 3000 youth under the age of 18 begin using tobacco products in this country, and local tobacco regulations and their enforcement is one way we try to stem the tide."

The PACT Program serves the towns of Acushnet, Lakeville, Marion, Mattapoisett, and Rochester. Lakeville and Rochester joined the grant as of October, 1997. The Mattapoisett Board of Health will be working to draft tobacco regulation of its own during the coming year.

When Lakeville and Mattapoisett have youth access regulations in place, compliance checks will be conducted in those communities as well.

"The Boards of Health of Acushnet, Marion and Rochester would like to commend local tobacco merchants for asking for a photo ID each and every time a young person attempts to buy tobacco," Ms. Coykendall said. "With the ongoing help of local merchants, we hope to see the smoking rates of teens in Massachusetts start to decline in the coming year. Tobacco vendors in Acushnet, Marion and Rochester are definitely doing their part to make tobacco less accessible to the children in their communities."

Sketching in Mattapoisett

The New Bedford Art Museum invites you to spend a delightful summer's morning on Friday, July 24 from 9:00 am to 1:00 pm "Sketching by the Sea" with Andy Anderson as your instructor. This will be the third in a series of classes designed for the enjoyment of beginners and all levels. The cost of each class is \$25, which includes lemonade, iced tea, and dessert (students bring their own sandwich for lunch). Please call the museum for registration and information at 961-3073. The museum is also accepting reservations for a day of "Sketching by the Sea" in Cuttyhunk in September.

An exhibition of paintings by Betty Archer and Mike Mazer is now on display at the Marion Art Center.

Betty Archer is noted for her wonderful, whimsical artwork. An award-winning watercolorist, Ms. Archer has in recent years found her love in a new dual-media approach where she starts with pen and ink, setting a composition, and follows with bright watercolor washes. It has earned her a following of admirers who collect her work. Through her eyes the viewer travels to her summer hideaway in Rockport of other typical New England scenes such as yard sales, festivals, and boats bouncing in the harbor.

Mike Mazer started sketching as a child at home and then in school. He would draw cartoons and anything else his friends wanted. The desire and ability to sketch and draw were put aside in later years when he pursued a career in medicine. He has been a practicing cardiologist, nephrologist, and internist for the past 36 years.

The galleries of the Marion Art Center are open Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. Admission is FREE. The Archer/

Circus Maximus

Circus Maximus, the improv comedy team of James Waterston, Robert Davenport, David Guion, and Mike Handelman, will perform at the Marion Art Center July 17 and 18 for two shows only at 8:00 pm each night. Tickets are \$10 and may be purchased in advance at the Art Center. Seating is limited and no telephone reservations will be accepted for this show.

Since they last performed in this area, James Waterston and his friends from Yale have been in a variety of theatrical roles, some funny, some more serious. They recently appeared as a group at Caroline's Comedy Club, the well-known television show, and also at several nightspots in New York, including the popular Don't Tell Mama on West 46th Street.

In addition to the two shows, *Circus Maximus* will offer a one-time only workshop on Saturday afternoon (July 18). They have done many workshops at schools and other organizations in the northeast. It's an opportunity to have fun, learn improvisational techniques, think on your feet, and die laughing. The fee for the workshop is \$25 for MAC members and \$30 for non-members. The recommended age group is ten and over. Adults and kids alike are welcome, but space is very limited. Please call the Marion Art Center at 748-1266 for more information.

Swingtime Canteen

Reservations are now being accepted for the Marion Art Center's hilarious and heart-warming summer musical, "Swingtime Canteen," to be presented July 23, 24, 25, 30, 31 and August 1 at 8:00 pm. Come back to London, 1944 and enjoy a rip-roaring canteen show. Join MGM star Marilyn Ames (played by Sheila Furtado) and her band from the Hollywood Canteen (Anne Schenck, Kymberley Ashley, Deidre Hickok, and Kristina

This show celebrates the times, people and lush music that defined the era. Over thirty vintage classics, including "I'll Be Seeing You," "Boogie Woogie Bugle Boy," "Beyond the Blue Horizon," and other upbeat and nostalgic numbers. Paul Sardinha is directing the musical, his fourteenth year at the Marion Art Center. He will also perform as a member of the band.

Tickets are \$12.50 for MAC members and \$15 for general admission. Reservations are strongly recommended. Tables are available for parties of four or more. Please call 748-1266 or stop by the Marion Art Center during gallery hours: Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. Admission to the gallery is FREE.

Cool Jazz at Music Hall

The Boston Jazz Flute Ensemble with the All-Star Backup Band from Berklee will perform a jazz concert at 8:00 pm on Saturday, July 18 at the Marion Music Hall on Front Street as a benefit for Odyssey and the First Congregational Church of Marion. The Boston Jazz Flute Ensemble was formed in 1995 at the Marion JAZZFest and will return for their annual summer concert, a highlight of the summer jazz concert events, sponsored by the First Congregational Church of Marion.

"Cool jazz and hot Latin music will be on the program," assured the flute ensemble co-directors, Wendy Rolfe and Matt Marvuglio. Mr. Marvuglio is Dean of Professional Performance at Berklee and Ms. Rolfe is Professor at Berklee and Director of the Berklee Flute Choir. Other performers will be Jerry Seeco, Director of the Berklee Jazz Flute Ensemble; Bill Thompson, Berklee faculty member in the Ensemble Department; Barry Smith, Berklee Bass Department faculty member; Ed Saindon, a member of the Berklee Percussion Department, along with drummer Casey Scheuerell.

The Old Rochester Regional High School Class of 1983 will be holding their 15-year high school reunion on Friday, August 21 at the Hawthorne Country Club. They have been unable to locate the following individuals: Christine Adams, Joao Pedro Arsenio, Albert Barboza, Susan Blodgett, Colleen Brennan, Sherri Cook Ribeiro, Christine Dudley, Richard Lopes, Frank McKeone, Robin Rezendez Lamb, and Edward Silva Jr. If you have any information on these classmates, please contact Linda Couto Ferreira at 979-4384.

Acushnet Meetinghouse Music

The popular Jeff Dunn Band, a small pop group with the sound of a "Big Band," will perform at the "Music at the Meetinghouse" concert on Saturday, July 25 at 7:00 pm. The venue, the lawn of the venerable (1759) Long Plain Friends Meetinghouse, 1341 Main Street in Acushnet, is one of the most beautiful sites in the area.

The band plays and sings pop, swing, jazz, and show tunes of the past, with a 1998 beat, and audiences have always found their sound not only wonderfully listenable, but eminently danceable. The concert is FREE for the whole family, and free refreshments are served at

Clothing Drive in Fairhaven

Saint Joseph's Church in Fairhaven will be holding a used clothing drive through Community Recycling Services. Statistics show that ten billion pounds of clothing are being dumped in American landfills each year. This is a shame, because there are people in need of clothing and our landfills are filling up quickly, with no other places to dump.

With Community Resources Services, everyone wins. Saint Joseph's Church will raise money, the clothing that is donated will be recycled and everyone who donates clothing is making a charitable donation, which is tax-deductible.

Here's how it works: place your used clothing in bags (shoes are also accepted); bring the bags to Saint Joseph's Church where a trailer will be in the parking lot near the side entrance; and drop off will begin July 24, 1998 through August 2, 1998 before and after all masses. If you are unable to drop off your clothing, or if you have any questions, you may call Kathleen Isaksen at 992-5183 (clothing pick up arrangements can be made).

Swim Buzzards Bay Day

On July 26, the CBB will hold "Swim Buzzards Bay Day." The 1.2-mile swim will cross New Bedford Harbor from Fort Phoenix Beach in Fairhaven to Davy's Locker in New Bedford. Each swimmer must secure a minimum of \$100 in pledges to participate. The registration fee for swimmers is \$15. All participants will receive t-shirts, and top swimmers and pledge collectors will be honored after the swim. Every swimmer will also receive a bronze medal donated by New Bedford's Edson International and the New Bedford Standard-Times. Additional sponsors are Fairhaven Shipyard, BankBoston, Monaghan Printing, and radio station 92.7 FM WMVY, which will broadcast the event live. All swimmers must register by 5:00 pm on July 24 to participate.

The CBB has named Richard Wheeler of Wareham as the Honorary Chairman for the Swim Buzzards Bay Day. For more information about Swim Buzzards Bay Day, or to receive a registration kit, please call 984-7912, or e-mail sbbd98@banet.net.

Veterans Health Benefits

Incorrect information on the Internet has prompted the Veterans Office for Mattapoisett and Rochester to issue clarification on eligibility of veterans for health care. The reports have led many veterans to worry falsely that they may lose their VA medical benefits if they do not enroll by October 1, 1998. The Department of Veterans Affairs is mandated by the Veterans Health Care Eligibility Reform Act of 1996 to establish an enrollment system for health care services to be in place by October 1, 1998. While veterans must enroll to receive care, it does not mean that veterans who have not applied for enrollment by that time will lose their eligibility for VA

health care.

Veterans who are automatically enrolled and who do not need to register are veterans who have service-connected disability of 50 percent or more, veterans who have been discharged from the military service for less than a year for compensable disability that the military determined was incurred or aggravated in the line of duty, veterans seeking care for service-connected disability, and veterans who have received VA health care after October 1, 1996. All other veterans are encouraged to enroll by October 1, 1998 so that the VA can provide a current national database.

To enroll, veterans may contact Mr. James Burrows at the VA Hospital in Providence at (401) 457-3300 or call for an appointment at the New Bedford Medical Center, 175 Elm Street, New Bedford at 994-0217. For further information, you may also contact Harvey Blanchette or Paula Butterfield in the Veterans Office at 758-4114, Tuesday through Thursday from 8:00 am to 1:00 pm.

occasions are all part of the chorus' "Summer Sing!" program.

Both Summer Sings! will take place at 7:30 pm upstairs in the Congregational Church Community Center on Front Street in Marion. Peter West, Director of the Choral Society, will conduct accompanied by Corinne Peck.

The next Summer Sing! will be held on Monday, July 20 at 7:30 pm upstairs in the Congregational Church Community Center on Front Street in Marion. The program will be lighter in nature: Gilbert and Sullivan's *H.M.S. Pinafore*. While musical scores for all pieces will be provided, singers having their own scores are invited to bring them.

Mr. West will rehearse everyone for about 45 minutes, followed by a 15-minute break with cool summer refreshments. A donation of \$5 is requested and the impromptu concert will be over by 9:30 pm.

Parking is available in the Marion General Store parking lot on Front Street in the village. For further information about the Summer Sing! concert, please call Peter McDonald at 295-7119.

Millicent Library - Fairhaven

Summer Reading Program

The Youth Services Librarian is looking for readers ages 9 to 14 who are interested in volunteering for a "Cutter's Club" on Tuesday afternoons in the summer. Volunteers would help cut out construction paper projects for the Youth Services Librarian. Volunteers must be registered for the Summer Reading Program to participate. Interested readers may contact Lisa Howard at 992-5342.

Speakin' and Drums

Storyteller Sara Jacobson and drummer Curtis Jones will be the story performers at the Millicent Library on Wednesday, July 22 at 10:00 am. "Speakin' and Drums" is the third program in the Millicent Library's Wednesday summer program series.

The duo present a multicultural blend of story, rhythm and song as they share stories that emphasize social and cultural awareness, building community, and having fun. The program will be presented in the auditorium of the Millicent Library. Admission is FREE to the public. The program is supported, in part, by a grant from the Fairhaven Cultural Council, a local agency supported by the Massachusetts Cultural Council.

The Millicent Library will continue its weekly Summer Program Series again this year. The series will continue on July 29 when a fire engine will visit the library. "The Book Detective," a mystery puppet show will be held at the library on August 5. The fourteenth annual Teddy Bear Parade will conclude the summer program series on August 12. All of the events are held on Wednesday mornings at 10:00 am and are FREE to the public.

Mattapoisett Public Library

Spooky Tales

Come to the Mattapoisett Public Library on Thursday, July 16 at 7:00 pm and join storyteller David Mello for a frightfully fun hour of spooky tales that will chill you to the bone! This program is recommended for children ages 7 and over and their families. This program is supported, in part, by a grant from the Mattapoisett Cultural Council, a local agency supported by the Massachusetts Cultural Council, a state agency.

Volunteer Award

Nominations for the first recipient of the Philip Zeimetz Volunteer Award are being sought by the Trustees of the Mattapoisett Public Library. Bette Roberts, Chairman of the Trustees, said the award has been established to recognize outstanding volunteer service by an individual or group that directly benefits the town. The name of this individual or group will be engraved on a plaque to be hung in the library.

Mr. Zeimetz had contributed countless hours to maintenance of the library and to other organizations in Mattapoisett, Ms. Roberts said. Nominations may be made by individuals or groups. They should be made by August 15 in writing, stating justification for the award, and be sent to: Philip Zeimetz Volunteer Award, P.O. Box 475, Mattapoisett, MA 02739.

The selection committee will include a representative of the library trustees, a representative of the town selected by the Selectmen, a member of the Zeimetz family, and a representative of each church in Mattapoisett.

Building Committee

Elizabeth Theriault of 8 Holly Street has been appointed to the Building Committee for the proposed \$1 million addition to the Mattapoisett Public Library. Ms. Theriault, a library trustee for two years, has been head of the catalogue department at the Wellesley Public Library. Other Building Committee members are John N. DeCosta, Francis H. Gordon, David J. McIntyre Jr., Elizabeth H. Kunz, and Robert H. Atkinson.

Voters approved a \$40,000 Proposition 2 1/2 override at the last election for architectural plans. The state will pay 45 percent of the total cost and the balance will be raised in a private fund-raising drive.

Myster-Read

Kids can be sleuths this summer at the Mattapoisett Public Library. Now through July 18, kids from preschool through Grade 9 can register at the library for this year's summer reading program, "Unlock the Myster-Read!"

Famous reptilian detective Invest T. Gator will lead kids (and their families) through story times, crafts, games, and special program focused on the mystery theme. Science, history, and literary mystery are some of the themes of library events.

Readers will receive reading certificates, bookmarks, game sheets, and other reading incentives as they participate. To register or for more information, please call 758-4171 or visit the library at 7 Barstow Street.

New Hours

The Mattapoisett Public Library is now open on Saturday until 3:00 pm.

In the Fall, more evening hours will be added during the week, according to the newly-elected Chairman of the Library Trustees, Bette Roberts. The extra hours are in response to the results of a survey of library patrons earlier this year.

Ms. Roberts said the new hours are possible because two staff positions unfilled for about 10 months have been filled. Barbara Perrault has begun as a Technical Services staffer and Melissa Correira as Library Technician.

Other trustees elected to new positions this week were: Joan Andersen (clerk); Bob Walter (treasurer); Bob Atkinson (building and grounds); and Betty Theriault and Bob Walter (computer committee).

Discount Passes

The Mattapoisett Public Library is offering discounted passes to state attractions. Passes are available for: John F. Kennedy Library, Columbia Point, Boston (free pass for four); Museum of Fine Arts, Boston (free for two adults per pass - library has two passes available); Museum of Science, Boston (coupon for four, \$1 per

person for specific dates - does not include Omni or Planetarium tickets); Plimoth Plantation, Plymouth (free admission for two adults and two children, daily now through November); Roger Williams Park Zoo, Providence (discounted pass for four, \$2.50 per adult, \$1.25 for children and seniors - does not include Jurassic Journey).

Passes can be reserved at the library or by calling 758-4171, according to Sue Tweedy, Library Director. The pass program is financed by specified gifts, unspecified gifts and donations to the library.

Chasing Mary

BY ROB GONSALVES
local@wanderer.com

■ *There's Something About Mary*. Starring Cameron Diaz, Ben Stiller, and Matt Dillon. Directed by Bobby and Peter Farrelly. Running time: 119 minutes. MPAA rating: R. At Cinema 12 at the North Dartmouth Mall.

There's Something About Mary is crude, vulgar, reprehensible, and probably a threat to the American way of life — in a word, hilarious. Directed by Rhode Island brothers Bobby and Peter Farrelly, the disreputable auteurs who made *Dumb and Dumber* and *Kingpin*, the movie pours two unstable elements into the same flask: romantic comedy and gross-out humor. The Farrellys' next genre should be the tearjerker — I'd love to see what they'd do with *The Horse Whisperer*. (Think of the poignant drama as Kristin Scott Thomas in her high heels slips on cow flop.)

Cameron Diaz is Mary, the Farrellys' (and many other guys') ideal woman: a looker who's compassionate, down to earth, and looking for "a paunchy guy who likes golf and beer." She hasn't had much luck holding onto a guy, though, and in the film's 1985 flashback opening sequence we learn why: Her brother Warren (W. Earl Brown) is retarded and tends to scare people away. For Mary, this is just as well: If a guy can't deal with Warren, she doesn't want to deal with the guy.

One guy who gets along with Mary and Warren is Ted (Ben Stiller), a pimply dweeb with braces in 1985. Touched by Ted's well-meaning (if ineffectual) defense of Warren against a bully, Mary asks him to the prom — which leads to an escalating series of mishaps, some of which haven't been revealed in the trailer, so I won't spoil them. Cut to 1998: Ted, now a freelance writer, is still haunted by the memory of Mary (and the events of the aborted prom night). He won't be able to get over her until he finds out what she's doing now, so he hires sleazoid private eye Pat Healy (Matt Dillon) to track her down in Miami. Pat, who is paunchy and likes beer, takes one look at Mary and decides to take up golf.

The movie is shrewdly cast. If Ben Stiller hadn't proved in *Flirting with Disaster* that he's willing to look like a hapless dork, he certainly

proves it here. Hardly a scene goes by that he's not beaten, humiliated, and generally degraded — he's a great sport, like Woody Harrelson in the better scenes in *Kingpin* (a much less successful Farrelly effort). Matt Dillon demolishes what's left of his teen-idol image from the '80s; he spends half the movie in ugly fake choppers. His performance is even funnier if you caught *Wild Things*, where he

played another kind of sap in the middle of a Miami triangle. Diaz, as always, is a fresh and stabilizing presence; her beauty is an effective counterpoint to all the grossness.

But if *There's Something About Mary* is a hit — and it deserves to be — W. Earl Brown will become an unlikely star. Brown has been around the margins of other movies, most memorably as Kenny, Courteney Cox's doomed cameraman in *Scream*, but here, convincingly playing the cheerful (and sometimes violent) Warren, he breaks out and steals the movie. One Warren scene near the beginning — it involves Ted and a baseball — made me laugh so hard I got lightheaded. Brown makes you laugh with Warren, not at him, and the humor in his character comes from how others react to him (and what he does to them). It's not long before he wins the audience over completely; he's the best movie hero of the summer.

A movie like this is difficult to review, because you have to suggest how funny it is without actually explaining why (and thus spoiling the jokes). There's a vicious little dog, as you've seen in the ads, but the Farrellys wisely don't overwork him — and the jokes always go a step or two farther than what you saw in the trailer. There's a certain heartlessness in the Farrellys' approach to gross-out humor, but this time there's some heart, too. When Mary is shown at her job, working with retarded people like her brother, the scene is more natural and compassionate than you'd expect from a movie like this. In fact, in this comedy, it's mostly the "normal" people who are ugly, stupid, and laughable. Very laughable.

The Farrellys stir up the two genres in the flask, and the result is its own genre: the gross-out romance. They already did the gross-out road movie and the gross-out sports movie; Mel Brooks has done the gross-out Western (*Blazing Saddles*) and Peter Jackson has done the gross-out horror movie (*Dead Alive*), so I suggest the Farrellys turn their comedic focus to the gross-out blockbuster. For example, wouldn't *Armageddon* have been better if one of the heroes had farted in his space suit just once? Or if Godzilla had the runs? Or if Mulder had leaned in to kiss Scully, only to see a big, whistling booger hanging from her nose?

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Although you'd like to travel, it looks like you're anchored to home. Concentrate on what's happening there so you don't make a mistake.

Taurus (April 20-May 20). You're lucky but the workload is intense. Save your playtime for later. You might find a way to have fun and make a profit simultaneously.

Gemini (May 21-June 21). An argument could start out as fun but end up as stressful. Just keep communicating and you can get everything worked out.

Cancer (June 22-July 22). Your work load is intense. You're learning a great deal by doing it instead of reading about it. Partnership is your theme.

Leo (July 23-Aug. 22). Love is your theme and you're in luck. There will be a couple of surprises, and it looks like they're good ones. Meanwhile, you're under pressure to get something finished.

Virgo (Aug. 23-Sept. 22). There are big changes under way at your house so pay attention. Make sure your interests are protected. Do work involving computers or machinery.

Libra (Sept. 23-Oct. 23). You're sharp as a tack and that's good. An older person is pressing you to put up or shut up. If you think about what you're saying, you're more liable to achieve the goal.

Scorpio (Oct. 24-Nov. 21). You could go through a lot of money if you're not careful. Your intuition is pretty good right now.

Sagittarius (Nov. 22-Dec. 21). There's all sorts of surprises and you're creating most of them. Don't throw your money around.

Capricorn (Dec. 22-Jan. 19). Partnership is your theme, so put that concept into practice. A job that comes to you can be shared with another.

Aquarius (Jan. 20-Feb. 18). Your workload is very demanding and that's a hassle. You'd much rather be playing with friends.

Pisces (Feb. 19-March 20). You're lucky in love. Remember that, if conditions get tense. An older person wants you to do something impossible.

If You're Having a Birthday This Week: Your work is the major item on your agenda this year. There will be lots of surprises and changes. If you're smart, they'll be changes for the bet-

Rochester Property Visits

Notice to Rochester property owners: please be advised that the Town of Rochester is still conducting ongoing property visits for their fiscal year 1999 cyclical revaluation period. At this time, two representatives will be visiting properties throughout the town and will continue to do so through the summer. Your cooperation is greatly appreciated. Please call the Board of Assessors' office at 763-5250 if you have any questions.

Mattapoisett Wharf Dances

The Mattapoisett Track Club will be sponsoring the Teen Wharf Dances again this summer. The dances will be held every Thursday night through August 27 from 7:00 to 10:00 pm. These dances are open only to tri-town residents, their summer guests, and area summer residents. Class lists supplied by the local schools will be checked to verify attendance. It is recommended that only high school and junior high school students attend. Admission is \$5, with all proceeds going to support the Track Club program.

Marion Recreation Path

The Marion Planning Board, on recommendation of the Circulation Committee, has awarded the contract to survey the physical features of Converse Road from Route 6 to the beginning of Moorings Road, a distance of almost two miles, to GAF Engineering of Mill Street in Marion. The purpose of the survey is to provide the committee with the base knowledge necessary to plan a multi-purpose recreation path along the roadway.

The Circulation Committee was directed by Marion Town Meeting to plan multi-purpose paths on seven town roads. The physical survey of Creek Road has been accomplished, and when the Converse Road contract is completed the Circulation Committee will move expeditiously to survey the other roads designated — Delano Road, Point Road, North Front Street, County Road, and Route 6.

In preparation for the next road survey, a delineation of the wetlands along Point Road is being undertaken. The committee expects this work to be accomplished before summer's end.

On completion of the survey of each road, the Circulation Committee will create schematic design alternatives for the path. Safety and environmental concerns will be paramount in the development of all plans. On completion of alternative schematics for each of the roads, the committee will hold public hearings to obtain the input of interested citizens.

Completion of these tasks on all seven roads will fulfill the assignment of Town Meeting. The Circulation Committee will, through the Planning Board, submit the plans for the paths to the Selectmen for consideration and appropriate implementation. All of the paths will be planned on town-owned land and will involve no takings by eminent domain. The Circulation Committee is not authorized to do construction work of any kind, and its assignment is limited to planning of the paths.

IT'S CRAB MOLTING SEASON AGAIN...THAT TIME OF YEAR WHEN ALL CRABS SHED THEIR SHELL AND STAY HIDDEN UNTIL THEY GET A NEW ONE.

Town Clerk.

The license fee structure will remain the same as last year: Spayed female dogs and neutered male dogs - \$6 per year; Unaltered female and male dogs - \$9 per year.

Dog owners who fail to license any dog will be subject to a fine of \$25. This year a strict enforcement policy will be implemented. Remember, state law requires that you present a valid rabies vaccination certificate for dogs three months and older to the Town Clerk prior to licensing.

ORR Attends Design Competition

Six teams from Old Rochester Regional High School competed at the "Peak Performance" Design Competition held at Boston University's College of Engineering on Saturday, May 30. Two hundred and thirty teams from the east coast competed. Each team designed and built a vehicle that would, under its own power, climb a sloped ramp, stop at the top of the ramp, and defend its position against another team's vehicle.

Of the six ORR teams, four teams made it into the semi-finals, and two teams made the finals in a tie for fifth place. Placing were the teams of Andy Carr and Brandon Empey, and Paul Scalabroni with teammate Chris Rodrigues. Each student on the fifth place team received a trophy from Boston University.

The following students from the ORR High School Science Department participated in the contest: Warren Ansaldo, Andy Carr, Ryan Cusick, Phillip Dixon, Brandon Empey, Tom Neal, Chris Rodrigues, Keith Rodrigues, Artem Saitareev, Paul Scalabroni, Jesse Steeves, Shane Wright, along with Science Department Advisor Anthony Correia.

Rochester Gazebo Project

Rochester "life scout" David Santos recently decided the town's center could benefit from the addition of a New England style gazebo, much like Mattapoisett's famous landmark in Shipyard Park. The Troop 31 member has since been working to parlay this idea into a community service to earn his Eagle Scout rank with the organization.

Working closely with Scoutmaster Ray Lawrence and Librarian Lucy Van Petten, Mr. Santos began a drive to raise \$5,000 to purchase a prefabricated gazebo made of pressure-treated wood which would be installed either on the town common in front of the Plumb Memorial Library, or directly behind the facility for use during summer reading programs.

Mr. Santos has set a goal of July or August to install the structure so the library can begin using the gazebo this summer. He will be overseeing the other scouts in Troop 31 in assisting with construction and landscaping around the gazebo.

The enterprising scout and student at Old Colony Regional Vocational Technical High School added that anyone who donates to the project will receive a "Certificate of Appreciation," and those who donate \$100 or more can have their company, group, personal name, or name of a departed loved one memorialized on a plaque that will be attached to the gazebo. He is also hoping that area businesses — which he hasn't yet solicited — will support the project.

Mr. Santos' initial efforts have already yielded \$2,500 in donations to date. He hopes to raise the remainder of his \$5,000 goal within the next few weeks. He has already ordered a gazebo unit and used the \$2,500 as a down payment. With any luck, and the generosity of Rochester residents, Mr. Santos hopes to have the remaining funds in hand by the time the gazebo is delivered in late July or August.

Tax-deductible donations in any amount may be left at the Plumb Memorial Library, or mailed to: Troop 31 - Library Eagle Project, c/o David P. Santos, 258 Braley Hill Road, Rochester, MA 02770.

VASE Plant Sale in Marion

Volunteers At Sippican Elementary (VASE) is sponsoring a Perennial Plant Sale to benefit the Art and Music Fund at Sippican School in Marion. This year's funds are being raised toward the purchase of a new drum set, a trip to a recording studio in Boston for 10 students involved in composing their own musical pieces, and toward the purchase of a kiln for the Art Department. In the past, funds have been allocated for art supplies and a tuba. In this day and age of education, music and art suffer greatly with the high cost of musical instruments and art appreciation.

The plants that are being offered have two price categories: six and a half inch pots for \$4.25 and one-gallon pots for \$5.75. The plants range from delphinium, cranesbill, monkshood, phlox, daylillies, bleeding heart, and lupines among others. If you should choose to purchase a plant you will receive a voucher which may be used at Eden Landscape toward the plant of your choice. Order forms may be obtained at Sippican School, the Marion Town House, the Elizabeth Taber Library, and other locations in Marion. If you should have any questions, please contact Susan Anderson at 748-2792 or Joanne Gibbs at 748-3822.
